

AMERICAN COLLEGE OF EMERGENCY PHYSICIANS

APPROVED RESIDENCIES IN EMERGENCY MEDICINE

Emergency medicine residency programs in the following institutions have been approved by the Accreditation Council for Graduate Medical Education (ACGME). Programs are listed under the state and city of the sponsoring institution. The name, address, and telephone number of the program director are provided, as well as the number of years of GME and the total number of positions as reported by the program director. The list includes programs with full, provisional, and probationary approval. Combined training programs in emergency medicine/internal medicine and emergency medicine/pediatrics are listed on the last page. Candidates interested in a particular program may obtain updated or additional information by contacting the program director.
